

The Inbertec UB810 / UB810D Series

The Inbertec UB810 / UB810D series headsets are all-new generation of headsets for contact center, office, Unified Communications, and on-line education. The ergonomic and lightweight design makes it comfortable enough for long conference calls and all day use. The outstanding noise-reducing technology, high reliability can meet different using scenarios.

- ### Luxurious Comfort

Ergonomic design, protein leather ear cushion cover and silicon pad headband to reduce ear and head pressure. Adjustable silicon pad headband and microphone boom to provide great flexibility.

- ### Superior HD Sound Quality

Wideband technology speakers let you have Lifelike vibrant conversations and reduce listening fatigue.

- ### High Reliability

Metal parts are used in key parts to maximize durability. Use tensile fiber cable to ensure the long life span of the headset.

- ### Hearing Protection

Unique Hearing Protection Technology instantly removes any harmful loud sounds, which keeps the sound level in the safe range (< 118db) and protects your hearing.

- ### Powerful Noise Reduction

UB810 / UB810D use advanced cardioid noise cancelling microphone reduce up to 80% of background noises.

- ### Multiple Connecting Options

Support USB-A / USB-C / 3.5mm / QD Connections.
